

Subject: [KSEA Startup] 6th Webinar of the KSEA-KITEE Monthly Entrepreneurship Webinar Series, February 24, 2022

Dear KSEA members,

We hope you are well and safe in these challenging times of COVID-19. We will hold the 6th Webinar of the [KSEA-KITEE Monthly Entrepreneurship Webinar Series](#) on February 24, 2022, Thursday, at 9 PM (Eastern time) to continue promoting the members' entrepreneurship and partnership.

As in the previous ones, this 6th webinar will also be for ~90 minutes, consisting of the following:

- **Opening** (~5 min): **Update** on entrepreneurship activities and news of the members
- **Member presentation** (25 min): One startup or startup idea or experience by a member
- **Lecture for knowledge sharing** (55 min): Lecture and Q&A on what founders should know
- **Closing** (~5 min): Raffle, introduction of next event, and closing

This webinar will be held as follows:

- **Time: February 24, 2022, Thursday, 9:00 ~ 10:30 PM in Eastern time**
- **Speakers:**
 - **"My Startup Story – Personalized Medicine for Your Dogs"**
By **Sungwon Lim**, Founder & CEO at ImpriMed, Inc.
 - **"Initial Fundraising for Tech Startups"**
By **John Nahm**, Co-Founder and Managing Partner at Strong Ventures
- **Registration due: February 22, 2022**

You can learn more about this new initiative at <http://startup.ksea.org/webinar/>.

You do not need to have your own startup to attend this event. **Join us if you are interested in technology startups in any roles, such as a mentor, developer, technology partner as well as founder. Registration is FREE, but seats are limited.** So, [register now!](#)

Raffles are available only for those who register the event by February 22.

We look forward to seeing you soon at the webinar.

Cheers,

Kyeong Ho Yang, Monthly Entrepreneurship Webinar Team Leader
Byungkyu Brian Park, KSEA President
